Secretary's Report

The Board read, corrected and approved January's Minutes

Treasurer's Report

The checking account stands at \$3,142.24. I cannot access PayPal, I must submit a different email address, and I have already established an account under my personal profile. PayPal only allows one account per email address registered.

Field Coordinator's Report

Tamara got a quote on fixing up our parking lot; it will cost \$29K. That would include scraping the top layer off, lay large rock, roll and lay smaller gravel on top and roll again.

Referee's Report

Bronwyn had a referee clinic February 18-February 20. 12 registered (all new applicants), all 12 passed. Great success.

She will have another clinic before the fall season. Board proposes a referee "party" prior to fall league, introduce the younger refs to the seasoned refs. Give pointers; mentor the newer referees, etc.

For the 2011-2012 seasons, the referees may have to sign W-9s.

Bronwyn will do more research, and find out if this is in effect for the 2011-2012 Fall Season.
