President's Report

South Hill Soccer will be hosting a clinic for ages 5-10 January 24 through February 6 (not concurrent) \$50/child

MSRA will have a free goalie clinic at White River High School
MRFC-Tamara will know in the next few months if we are continuing with the program. She wants to be exempt from the decision/voting weather OSC stays with, or detaches from MRFC. If we stay it can cost up to \$1200/player; do we (OSC) want to stay or merge with South Hill; to keep our "select" teams; do we do a "select" program; do we want to build the Program within Orting? Guest and Board are concerned with the OSC identity. Tamara will keep the Board abreast of future developments.

The school district has up the cost off the turf fee from last year. Tamara has ideas that may help keep our (OSC's) cost down. I.e. invite outside organizations for "practice, coaching, tips..."

The Board agreed to future meetings with South Hill to discuss a relationship (MRFC). Develop our players and coaches. Tamara will report next meeting regarding the MRFC's next meeting.

Board agreed order uniform and balls for the U-7 and below from FCI. The teams will have t-shirts and balls. Each team will be issued a certain t-shirt color.

The Board will later decide if we will go with Code 4 or SEI for our uniforms.

Tacoma Stars are hosting a clinic March 19.

April 23, 2011 Jamboree \$30/Child/ Team
