

Team Parent 2011

Coach _____ Team Parent _____

The purpose of a Team Parent is to help the coach hand out paperwork and take care of other items so that he/she can focus on coaching the team. Please check with your coach to see what they would like you to help with.

Paperwork: A copy of the Washington Youth Soccer Birth Date Verification Form must be filed out by parent(s) and signed off on by an OSC Registrar for any new players. OSC Registrar will contact parents to provide proof and fill out form. A time will be set-up at the fields to do this. In order to have it signed off; please have the parent bring the players Birth Certificate for verification. **We won't keep the birth certificate.** This is especially important to those age groups that travel as a coach may challenge the age of a player.

Pictures: The coach will receive the picture packets and his/her saluted time in the mail. **Please arrive 5 minutes prior to your scheduled picture time to gather your team.**

Snack List: Make up a snack list to hand out with your game schedule a great idea is orange slices for halftime and a juice and snack for after the game. Please be aware of your trash- OSC has a "pack it in/pack it out" policy. Thanks for your help!

Trophies: It is best to order trophies at least 2 weeks prior to your team's end of season party. Make sure that player's names are spelled correctly.

There are a lot of businesses that you can order from, here are a few:

- Valley Trophy & Awards (Orting) 360.893.2340
- Business Solutions Center (Orting) 360.893.5900
- Awards Unlimited (South Hill) 253.845.1444
- The Lineup (Spanaway) 253.536.8221

The Orting Soccer Club does **not** provide trophies, so if your team does not have a sponsor then the parents will need to pay for trophies. So please let them know what the cost of the trophies will be.

End of Season Party: It is always nice to wrap up the season with a party! Trophies can be handed out at this time also. Here are a few ideas:

- Pizza/Soccer Party
- Swimming Party
- Ice Cream Party

Again, please let parents know of any costs.

Have A Great Season!
